## BENEFITS TO JOINING

All these activities – and more – benefit you as a Witch. It isn't about what you "get" by joining CoG; it's about what the Covenant of the Goddess is already doing on your behalf, what it has been doing for you for over 35 years, and what more it could do with your support.

## COME, JOIN THE COVENANT OF THE GODDESS TO:

- meet fellow Witches from around the country,
- work together to improve our communities,
- contribute to making a better, safer world for generations of Pagans and Witches to come!

## WHO WE ARE

The Covenant is an umbrella organization of cooperating autonomous Witchcraft covens of all traditions, with the power to confer credentials on its qualified clergy. It fosters cooperation and mutual support among Witches. CoG is non-hierarchical and governed by consensus. Two-thirds of its clergy are women.

Many of the Covenant's activities are conducted at the regional level by Local Councils. There are 13 such Local Councils around the country. CoG holds an annual national conference – open to the Pagan and Wiccan community. CoG also publishes a newsletter.

CoG is coordinated by a national board of directors, elected at the annual meeting to carry out the will of the members.

During the decades when the mere survival of the Craft was our highest priority, we had to live our Wiccan lives in secret. Now, we can work together with our fellow Witches and with those of other faiths on projects that benefit our communities. Around the Covenant, Local Councils participate in food banks, homeless shelters, environmental clean-ups, and other opportunities to be of service to our communities in visible ways.
