

Covenant OF THE GODDESS

5-Step Application Process

Join as a Coven, Individual or Friend

CONSIDER LEVEL AND COST

The Covenant of the Goddess has three ways you can join the most well-established, and supportive non-profit organization representing Witches and Wiccans in the U.S.

- As a Coven, you have the benefit of bringing all your coven members under a single cost.
- As an Individual you may continue your spiritual path as a solitary while networking with amazing people throughout the World.
- Our newest participation level, *Friends of CoG*, gives anyone interested in supporting the Covenant an opportunity of creating connections with Craft Elders and learning from their craft knowledge and experience.

Covenant of the Goddess

Membership & Support of CoG

Membership as a Coven

IN CONJUNCTION WITH A LOCAL COUNCIL OR AS A NATIONAL COVEN

Depending on your location, you may be near one of the Covenant's many Local Councils within the contiguous boundary of the United States. If so, consider membership in CoG through affiliation with a Local Council. If you are not located close enough to one of our Local Councils, then you would join CoG as a National Coven.

All members of the coven would be members of CoG after your membership is completed. Local Councils and National members help CoG thrive when we join together as a community supporting each other and providing education, information and charitable work in your region.

Individual Membership

IN CONJUNCTION WITH A LOCAL COUNCIL OR AS A NATIONAL INDIVIDUAL

As an individual practitioner, either as a Witch, or Wiccan, you may be located near one of CoG's many Local Councils within the contiguous boundary of the United States. If so, consider membership in CoG through affiliation with a Local Council. If you are not located close enough to one of our Local Councils, then you would join CoG as a National Individual member.

As Individuals, you can work with other Individuals (or Solitaires) and form a caucus that presents workshops, build community and have a united voice during Grand Council.

Friends of CoG

BE A PART OF A COMMUNITY ON YOUR TERMS

Our newest form of participation in CoG is known as **Friends of CoG**. Friends of CoG may participate in Local Council activities without the commitment of membership. This way you can enjoy what CoG and their Local Councils have to offer.

Find friends and community at Pagan events. Attend CoG's public rituals, workshops or Merry Meet and receive special swag. You can also be a part of our online teams or volunteer at local events.
