The Covenant of the Goddess

We're waiting for you at OUTREACH@COG.ORG

Friends of CoG is a program for people interested in an entry-level affiliation in The Covenant of the Goddess. As a Friend you can take some time to get to know CoG members in your region, and participate in local events.

Its an easy way for folks who don't want the commitment of CoG Membership to support a nationwide, public non-profit (501)c3 organization.

Friends of CoG have no voting rights and are not eligible for Clergy credentials.
