THE COVENANT OF THE GODDESS STANDS WITH THE CITIZENS OF UKRAINE

Anaheim, CA., February 24, 2022: The Covenant of the Goddess (The Covenant) stands with the brave citizens of Ukraine who are suffering an unwarranted, and unprovoked attack. On Thursday, the invasion of Ukraine began with missiles fired by Russian troops and Russia's movement across Ukraine's borders.

The invasion of Ukraine by President Vladimir Putin is a blatant act of aggression and a shameful violation of international norms. This attack has already resulted in the killing of innocents and driving out thousands of families from their homes.

The Covenant condemns the actions of President Putin and his troops. Our support, prayers, and spiritual protections are offered unreservedly to the people of Ukraine.

About The Covenant of the Goddess

The Covenant of the Goddess (CoG) is one of the largest and oldest Wiccan organizations. The Covenant was founded in 1975 by representatives of many Craft traditions who felt a need for a national organization that could work to secure for Witches and Pagans the same legal rights as those enjoyed by followers of other religions. The Covenant is incorporated as a non-profit religious organization in California, though it has grown to be an international organization.
